EMSTAT
Event Management and Logistics

EMSTAT is an Event Management company that provides specialized services, including but not limited to transportation and staffing, wine festivals, conventions, corporate meetings, company outings, and special events. Our staff will manage any and all aspects of your event to ensure its success.

Event Management Solutions

EMSTAT provides event planning services, whether a corporate, social or community event. We are here to help you achieve success while exceeding your expectations.

We know that each event is unique, needing its own distinctive look and feel. We will provide you with a fresh and creative style designed to leave your guests anticipating your next event.

Not only do we handle every phase of pre-event planning and post-event follow-up, we also provide on-site management. By leaving all the details to us, it will allow you the freedom to mingle with your family, friends or business associates. We take care of all the details so that you can focus on the bigger picture. Educating

your employees, building your client base or creating family memories.

Throughout the planning process, we maintain the momentum which ensures effective execution of all aspects of the timeline and production schedule.

EMSTAT staff has more than 30 years of cumulative experience, offering a full range of services with extensive options for you to choose from. Our staff will manage all aspects of your needs, regardless of the specific complexity. We can fulfill your vision of a successful event from small affairs to grand galas. We are committed to providing genuine personalized services resulting in complete customer satisfaction.

EMSTAT welcomes inquiries from the business sector regardless of company size, as well as private individuals. Whatever your event, we can help with all your requirements.

Transportation Services

EMSTAT's transportation service to the government, corporate and sports sector offers the client several options to fulfill their event agenda. For your transportation needs, EMSTAT can provide any or all of the following services:

- Event Shuttle Service
- Advance Work
- Vehicle Procurement
- Routing Logistics
- Staffing
- ADA Equipment
- Mini Buses
- Motor Coaches
- Risk Management

EMSTAT also specializes in emergency evacuation transportation and staffing for any disaster. With our motor coach database, the ability exists to deploy several hundred transportation units and staff within a short period of time. Our response management teams carry several ICS certifications which allow them to step into the disaster area and become an integral part of the solution.

Training

EMSTAT also offers beginner CDL training, remedial training and

defensive driving classes at your facility. Instruction also includes FMCSA and CVSA familiarization.

Testimonials

In our 11 years of business, we have never had a bus company provide such outstanding service, courteous drivers and flawless equipment and we have used many bus companies over the years! With no reservations whatsoever, I would highly recommend EM-STAT to any group wanting outstanding tour bus service.

- **Malou K. Stark**
President
Exceptional Events Limited

Thanks for your quick response and help on the Presidents Cup Tournament. The manpower support was actually more important than the number of units. If we have the need for buses or even some onsite coordination, we'll give you a shout. You've more than proved your worth in our eyes.

- **Jack Warfield**
PGA Tour Headquarters

Prosody Creative Services has been honored over the past few years to work with and on behalf of Jamestown 2007, the organizers of America's 400th Anniversary. The many hours of planning and production that went into America's 400th Anniversary Weekend were invaluable in providing over 63,000 festival goers with a rich historical and cultural experience that will be remembered for years to come. On behalf of the entire team at Prosody, we offer our sincerest thanks and hope we have an opportunity to work together again! Gary, thanks for everything! Awesome job!
